

Youth Advisory Council

1. Community Leader Presentation – 5:00 PM

A. West Tuality Habitat for Humanity: **Steve Mann, Relationship Manager**

My name is Steve Mann and my job title at West Tuality Habitat for Humanity is "Relationship Manager." We are a smaller Habitat affiliate compared to many others, so I have several different roles in our organization. My main responsibility is to manage our organization's individual and business donors. I process donations, write thank you's, create our newsletters, and spend time as an ambassador for Habitat at various community events. This kind of work is typically called "development." Additionally, I work with our Project Manager to organize groups of volunteers that want to schedule a day of service, and I help coordinate 6 events throughout the year. I also have the privilege to be our affiliate chaplain for our staff, volunteers, or the many people that we serve in our community.
